

Erratum

Erratum to the Special Issue entitled “Rendering the Use of
Visual Information from Spiking Neurons to Recognition”
[Cognitive Science 28 (2003) 141–302][☆]

The Publisher regrets that in the above issue the names of the Special Issue Guest Editors, Frédéric Gosselin and Philippe G. Schyns, were omitted from the contents page. We would like to thank them for their admirable service in planning, assembling and editing this issue.

The Publisher would like to apologize sincerely for any inconvenience caused.
